\* Interest rate is guaranteed for one year; then a new rate is declared and guaranteed until year-end. Thereafter, interest rate is declared and guaranteed for calendar year. Interest rate guarantee is backed by the claims-paying ability of MetLife Insurance Company of Connecticut.

The SC ORP Fixed Account has no surrender charge for transfers to MFSP or for benefit responsive distributions. Otherwise there is a 20% withdrawal restriction and a surrender charge may apply. You cannot transfer amounts from the Fixed Account Option into any plan investment option that, in MetLife insurance Company of Connecticut's opinion, consists of fixed income securities or money market instruments. A transfer from the Registered Fixed Account Option to any other plan investment option is a surrender from the variable annuity contract, and the Company has the right to impose the contract's sales charges and all other charges. The variable annuity contract's options other than the Fixed Account Option are NOT plan investment options.

Fund performance figures shown above are historical and reflect investment of all dividends and capital gains distribution and changes in net asset value as a percentage of Account assets. Investment return and principal value of mutual funds will fluctuate so that an investor's shares when redeemed, may be worth more or less than their original cost. Past performance does not guarantee future results.
